

The Anti-Cruelty Society
School of Dog Training
Trick Class

The School of Dog Training is pleased to now offer a Trick Class. This class joins our other fine training programs as a means to help guardians better understand and value their dogs.

Teaching your dog tricks is an excellent way to make training enjoyable. After all, to your dog all commands are “tricks.” It also allows you and your dog to have fun!

ACS’ Trick Class uses solely positive training to create and reward good behaviors. A few core tricks will be taught. There will also be time for you and your dog to work on your own special tricks with the guidance of our instructors.

This four-week class is open to puppies and dogs over the age of 10 weeks – prior obedience training is not required. **Dogs over six months of age must be spayed or neutered.** You must provide proof of spay/neuter (where applicable) as well as current vaccinations with your registration forms (Distemper a.k.a. DHLPP and Rabies). Handlers must be at least 14 years of age; handlers under the age of 18 must be accompanied by an adult. Children under five years can not attend the classes.

The donation fee for the class is \$50. This fee must be paid at the time of registration. **It is non-refundable.** We will return your check if class is full. There is no additional fee for second handlers of other family members who attend the same session. (ACS volunteers and employees must pay the fee as a deposit; the fee will be returned upon successful completion of the class.) This fee includes educational materials.

There is no special equipment required for this class. Your dog may wear a regular buckle collar or body harness. Your dog must be kept on a 6-foot leash during the class. We do not allow chain or retractable leashes.

Class size is limited to the **first ten paid applicants.** Classes fill up quickly. Your receipt of these materials does not guarantee your enrollment in class.

Please mail the following to The Anti-Cruelty Society, School of Dog Training, 157 W. Grand Ave., Chicago, IL 60654:

- Proof of spay/neuter (if applicable)
- Proof of Distemper combination and Rabies (if applicable) vaccines
- Check made payable to The Anti-Cruelty Society

Incomplete applications will be returned.

If you have any questions, please call Charmaine Anthony at 312-644-8338 ext. 323. Thank you. We look forward to meeting you and your dog!
